HOME AND SCHOOL COMMUNICATION AND SUPPORT

Teacher E-Mail Addresses: All teachers at this school have been issued e-mail addresses. **Online Homework Information:** A portion of the school's website is devoted to homework pages.

The following narrative about how this school promotes and supports parental involvement was submitted by this school.

Voluntown Elementary School participated in several activities that enhanced home/school communication and support. - Annual Open House, Parent/Teacher Conferences. - Our preschool teacher made home visits. An Early Childhood Council met on a regular basis, has parent representatives, and actively plans for parent workshops. - A Title I Family Involvement Coordinator provided workshops to train parents in ways to enhance their child's learning at home. - A parenting skills series of workshops was made available to all parents in the district. - Teacher websites were available to parents/students. Power School program offered parents of students in Grades 6 -8 the opportunity to view up-to-date student grades on-line. - A "Ready, Set, Read" program was held at the end of the year to help parents review ways to enhance student reading skills over the summer months.

EFFORTS TO REDUCE RACIAL, ETHNIC, AND ECONOMIC ISOLATION

Below is the description submitted by this school of how it provides educational opportunities for its students to interact with students and teachers from diverse racial, ethnic, and economic backgrounds.

The Voluntown School District provides opportunities for reducing racial, ethnic and economic isolation by providing all high school students with the opportunity to choose one of five available high schools programs. Multicultural days were celebrated by three different grade levels through their social studies programs. The Voluntown PTO sponsored three (3) cultural awareness assemblies for the school.Voluntown participated in an inter-district program entitled Legacy, through EASTCONN. Grade 6 students met and worked on assignments together with students from various schools. They also participated in DARE activities with schools across Connecticut.Our Grade 4 students participated in a Lego Robotics program with another district, establishing relationships with other students through that program. 8th Grade students traveled to Boston, Massachusetts to experience an urban environment. Intensive staff development centered on ensuring that all children became proficient readers by the end of the second grade, regardless of racial, ethnic, or economic background. Voluntown provided a free early childhood program funded by a School Readiness Grant and free transportation for all Voluntown three-year-olds of all economic, racial and ethnic backgrounds—including children with disabilities. Voluntown provides a free Pre-K program for four-year-olds from all economic, racial, and ethnic backgrounds, including children with disabilities.

Disciplinary Offenses

Disciplinary offenses committed by students include all serious offenses, offenses involving drugs, alcohol, or tobacco, and all incidents resulting in suspension or expulsion.

Truancy

During the 2009-10 school year, No students qualified as truant under state statute. As these counts rely on school-level policies regarding unexcused adsences, they are not comparable between schools.

SCHOOL IMPROVEMENT PLANS AND ACTIVITIES

The following narrative was submitted by this school.

Two programs were established at the Voluntown Elementary School. The first provided preschool opportunities for all three-year-olds in the district in a half-day, school year program. The second program established an in-house alternative school program for those students who otherwise would have been considered for outplacement programs in other districts. Both of these programs—now completing year three—have improved special education services within our public elementary school. We also implemented a Full Day Kindergarten program in the 2008-2009 school year as an extension of our early childhood initiative. A Curriculum Steering Committee meets on a regular basis to implement a curriculum improvement process. This year Voluntown implemented a new language arts series, Treasures, for Grades K-5. Professional development activities and monthly meetings for teachers using the program centered around improving reading and language arts. The RTI Behavior Committee met weekly and began School climate improvement Plan to be implemented in 2011-2012. The Board of Education has a three-year Strategic Plan that prioritizes finances, building and grounds, transportation, community and public relations, students as a focal point, and curriculum, learning and instruction.

SUPPLEMENTAL SCHOOL INFORMATION

The space below was optionally used by this school to describe aspects of the school not presented elsewhere in the profile.

Voluntown Elementary School continued with all necessary procedures for our NAEYC accreditation for our School Readiness Program for three-year-olds. The report sent just prior to the 2010-2011 school year commended Voluntown for their continued efforts for students in the program. The Second Step program was incorporated into our social studies curriculum throughout the grades. Our students began a Recycling Club for the elementary school as well as our central office, collecting paper weekly and having recycling containers available throughout the school buildings. Voluntown Elementary School continues to strive to build and implement a strong academic program that inspires life-long learning for our students with the support of the community.
