Purpose of the REOPEN Committee

The Commissioner required each school system to create a Reopen Committee to publish a comprehensive REOPEN plan with proper safety precautions in the time of COVID-19. The CTSDE published “Adapt, Advance, Achieve: Connecticut’s Plan to Learn and Grow Together”, an “LEA REOPEN Template”, and a “District Survey” to use as a planning tools with July 24, 2020 as the due date for a state review.

Our Voluntown decision-making process uses a leadership model of established committees to guide the research, review, implementation, and evaluation of the wide range of programs to create effective and successful programs. Our committee includes parents, faculty and staff, as well as community and regional representatives.
